WORKSHOP GOALS:

To motivate participants to begin writing grants or to develop a grant team in their district.
To gain basic grant writing skills.
To gain knowledge about grant opportunities available to school districts.
To provide participants with funded grants to see components of funded applications.
To gain data resources & utilize the info to create a school demographic profile for grants.
To better utilize academic scores and data for grant applications.
To eliminate concerns about the difficulty of grants & follow up reports.
To send participants back to their school waving their own magic wand.
To complete a grant, **for up to $5000**, before training ends.
